Notes concerning the Matter of The ancestors of Thomas Nathaniel and Brazil Ransom Bradford

By Terrance H Fregly P O Box 3886 Tallahassee, FL 32315-3886 .Phone 850-386- 5184

This researcher has become increasingly convinced that the Parents of the above are Thomas Bradford and Mary , aka Polly Hargraves. This conclusion comes from the fact that Brazil Ransom Bradford named 6, six of his children with the middle name Hargraves. There also is evidence that one Mary Hargraves Bradford is buried in Linden , Marengo Co., AL, although no personal observation has been made of the grave site by this researcher, it has been reported by others, and will have to be verified.

This researcher has also become convinced the Parents of Brazil Ransom Bradford and Thomas Nathaniel Bradford and their two sisters Mary , who married Andrew Deaton and Alice who married James Patrick Savage, were not Thomas Bradford b 1731/d 1786 and Mary Holmes of Granville Co., NC.

The major reason for this conclusion is:

1. The existence of Thomas Bradford b abt 1757/ d 1825 in Granville CO, NC(source: will Granville Co, NC) He Married Eve Kearney sister of Mary Kearney who married David Bradford son of Thomas Bradford b1731 and Mary Holmes. It was customary for brothers to marry sisters of the same family and with the travel distance between settlements this was the only convenient way to find mates of the same social standing, church group , etc.

ii. EVE KEARNEY, m. THOMAS BRADFORD, April 2, 1782, Granville Co, NC (Source: Marriage records of Granville co, NC as on CD 229 Dec 1994 edition automated archives).Son of THOMAS BRADFORD and MARY HOLMES.

NOTE: Thomas BRADFORD married Polly Hargraves Aug 12, 1782.
Marriage Bond to Alexander MARTIN Gov Of State of NC, 500 pounds Bond between Thomas BRADFORD and Polly HARGRAUVES (Hargraves), (both) of Granville CO. 12 August 1782. Thomas (X) BRADFORD and Nath Hunt (signed , no MARK). signed and sealed in presence of Bennet SEARCY

Note: Nath. HUNT is possibly the same person who filed suit against Eve Kearney BRADFORD for a slave named Phyliss who was property of Thomas Bradford sold to Nat Hunt with out a bill of sale the suit was to recover property.

ii. MARY KEARNEY. (Source: Will Dated 1808 franklin Co, NC will Book C # 114 Mentions Daughter Mary Bradford) She married DAVID BRADFORD , JR August 2, 1784 in Granville, NC (Source: Marriage records of Granville co, NC as on CD 4 1st edition automated archives), son of THOMAS BRADFORD and MARY HOLMES.

At this time this researcher has engaged the services of Timothy Kearney, Genealogists and descendant of the Kearney family , to research the connection between the Thomas Bradford who married Eve and the Thomas Bradford b 1731 to confirm that Thomas who married Eve Kearney is without doubt the same person as son of Thomas Bradford and Mary Holmes . Pending the receipt of this proof and should it be confirmed, one can then eliminate the son of Thomas Bradford and Mary Holmes as the Thomas who moved to Clarke CO., AL and is buried in Clarke Co., AL.

Due to the fact the estate records of Franklin Co., NC have extensive entries about Thomas Bradford , husband of Eve Kearney there is no doubt he died in NC and could not be the same person who is listed in the 1830 Clarke Co., Census with B. R. Bradford as, Male- 80-90 years b 1740-1750. (Source: FHL film #2329, Pg226) and on the 1830 Marengo Co., AL census with B R Bradford as, Male 100 years-up (source: FHL Film # 2334, Pg 57).

If the above census data is correct and the additional listing in the 1830 census with B. R. Bradford Clarke Co., AL, of ,Female, 70-80 years (b 1750-1760) is the wife of Thomas Bradford, (thought to be Mary Polly Hargraves) then we can confirm this is not a direct line from Thomas Bradford and Mary Holmes of Granville Co., NC, but rather some other Thomas Bradford perhaps a cousin of other Charles City Co., VA / North Carolina line.

Brazil Ransom BRADFORD

It is possible to trace Brazil due in part to his unique name and his age, b 1797 and therefor was old enough to be "of age" , older than his brother Thomas Nathaniel b 1802. Brazil was a purchaser of land and participated in the War of 1812. This researcher has below attempted to outline what has been found in the various records of Georgia , Florida and Alabama that mention Brazil Ransom BRADFORD .

Explanation of the Land Office locations as related to the BRADFORDS

St Stephens, Demopolis and Cahaba are the Alabama Land offices that registered land patents the areas each office covered changed over the years. Demopolis - first entry made July 15 1833, St Stephens opened Dec 24, 1806, Cahaba was originally at Milledgeville, GA and moved to Cahaba and opened Oct 20, 1818. The areas covered by the various offices changed from time to time as did the Alabama county borders. Therefor land now in Clarke CO, AL could have been in Monroe and part of Dallas and Monroe ,made up Wilcox CO, AL. This area all wasWashington Co, AL during the Mississippi Territory period before state hood

In order to fully understand the dynamics of the above land transactions each needs to be plotted to determine in which county they were when granted and where they now lie and what was the disposition of these lands during the life of Brazil and Nathaniel and what happened to them at the death of the BRADFORDS. Noted is the first entry for Brazil R Bradford on Dec 6, 1816.

Extensive analysis needs to be done on the land records , above and those in the Official Records of Clarke Co., AL

Bradfordproof.WPD 10/19/97

Dear Mrs Strickland

The problem with the Bradford line is we cannot prove the Thpmas Bradford who was the son of Thomas Bradford and Mary Holmes is one and the same who moved to Clarke co AL and Died there in 1835-1847 and that he was a rev war soldier.

There exists in 1782 two Thomas Bradfords in Granville co NC ! Who Married Mary Hargraves and with out much doubt was the Parent of the Clarke co Bunch this due to the fact 6 of the Kids of Brazil Ransom Bradford were named Hargroves as middle name and that she is buried in Marengo Co AL . There also shows up on the 1830 and 1840 census a woman and man who kinda sorta fit for two parents with B R Bradford in Marengo co AL.

The rub is there is another Thomas Bradford B in Granville co Nc and who Married Eve Kearney abt 2 months after Thomas 1 married Polly(mary) Hargraves. This coupled with the fact this Thomas died in Franklin co NC still married to Kearney who was ex of the estate and there are several law suits over what Thomas 2 didn't waste away seemed he was a nar-do -well.
One other Bradford son of Mary Holmes and Thomas Bradford b 1731 married a Kearney in Granville co , and since it was kinda sorta the rage to marry a sister of your Bros wife cnances are Thomas 2 is the son of Thomas b 1731 and Mary Holmes.

To further complicate things the witness on Marriage license for Thomas 1 and Polly Hargraves was one Nat Hunt (the other was the clerk Bennett Searcey) if the same man as the Nat Hunt who shows up as a litigant in a law suit in Franklin co NC in abt 1810 after the death of Thomas 2 over the possession of a slave named Phyliss.

Now then the marriage license of Thomas 2 and Eve Kearney has as witness or Bondsman one Booker Bradford who is a cousin being the son of Philemon Bradford the Bro of Thomas b 1731 who married Mary Holmes and who could be the Parent of either Thomas 1 or 2.

The family story goes the Bradfords went to SC and Thomas B 1731 and his son Thomas 1(married Polly Hargraves) there served in The Rev War or was a patriot, etc. If so why did Thomas 1 go back to Granville co NC from SC to marry Polly Hargraves in 1782 when the war was not really over?

I have researcher all the siblings of Thomas 1 and Thomas b 1731 father but can find no link to the Clarke co AL Bradfords, I have looked up all the Granville Co and Franklin Co, NC deeds along with the Clarke and Marengo co AL land records and am in the process of seeing what is in SC.
The one son Brazil Ransom Bradford with such a unique name is traced from GA where he entered the War of 1812 to FL and Clarke co AL where he is described as "from Fl Terri" there also are some land records in Ga for him and some for the land lottery for a Mary Bradford

The two sisters of Brazil and Thomas Nathaniel (sons of Thomas B 1757 #1) married one in Ga (have not found the record and this is not proven)the other in Clarke co Al and the record is extant.
If they went to Clarke prior to 1817 and after the release of Brazil from War of 1812 there should be a record . There is one mention of Thomas Bradford advertising the plat (see below)

The Bradford's first came to Clarke County. The father was Thomas Bradford fromSouth Carolina. He had married Mary Hargraves.
The 1850 census of Clarke County, Alabama gives two Bradford's listed: Brazil Bradford was listed as having one male 30 to 40, 1 male 80 to 90, 2
females between 15 & 20 and 1 female 70 to 80. The younger male would be Brazil R. Bradford, the older male would be his father, Thomas, the older
THOMAS BRADFORD was listed as Mary Hargraves Bradford, the wife of Thomas and the mother of Brazil. Who, with the two unsigned females, age 10 to 15?
Thomas Bradford died on March 22, 1848. He was interred in the Bradford Cemetery, on the Bradford Plantation, which is now owned by Mrs. Arthur Wells.
Mary Hargraves Bradford died on Feb. 23, 1876 and is buried beside her husband.
Thomas Bradford had three sons, Brasil and Nathan. A son of the latter, JAMES BRADFORD, lives near Rocky Mount, and was the founder
of the Bradford family in Clarke County, Ala. There is a tombstone near Amity Church stating his name and service to his country, but it doesn't have any dates of
birth or death. His records of service are in the Archives and History Department, Columbia, S.C.

Soon after his father's death Brazil Ransome Bradford came to Marengo County, AL. He married first to Ann Hosea, daughter of T.L. Hosea of Shiloh on Jan. 25, 1835. They were the parents of four children. She died Dec. 18, 1839. Her tombstone is in the Old Graveyard east of Laurel Cemetery in Henderson's pasture. It reads "In Memory of Ann C. Bradford, wife of Brazil R. Bradford born January 6, 1841 died December 18, 1839 age 25 yeas, 11 months, 12 days, a devoted wife and pious mother." He married again on Oct 3, 1842 to Talitha Dorcas Pierce Clarke County, Al. It is said that her father lived just south of Dixon's Mills. They were the parents of nine children. He had served in the War of 1812 from Putnam county, Georgia and applied for a pension. After his death his widow applied for widow's benefits and there is a lot of documentation of this family is available. These records were from General Services Administration, National Archives and Records Service.

Mrs. Lillian Alston Jowers, Dixon's Mills, Alabama complied a history of the Bradford family and a copy of it is in the Linden Library. From this information I am obtaining a copy of the application of
the Widow Bradford. Brazil Bradford died in Marengo County, but brought his mother, Mary Hargraves Bradford with him. She is buried in Bradford
Family Cemetery. I have not been to the cemetery and Dec; however, I will make copies of things
that Brazil Bradford and his first wife took with them as well as look for Thomas Hosea Bradford born 1835 died 1904 married Ann Quinney. They had
two children. She is buried in the O'NEAL Cemetery in Dixon's Mills. 2. Mary Hargraves Bradford born ca. 1836 married Dr. Billy Quinney.
them ready when we do meet or possibly I'll send them on to you
as soon as gather them.

John A. Nelson 355 Belview Circle, Jackson, AL 36545 may have some Thomas Nathaniel Bradford info. Thomas Nathaniel and Brazel are the sons of Thomas, the "alleged" patriot. I have kept John posted on my research. His phone numbers are 334-246-9878, business 334-246-5746 (John @ DixieNet.Com)

When you come here to Clarke Co we'll take you to Thomas' grave site. You may also enjoy browsing in the Probate Court records. Our records are in great condition and go back to pre 1819, when Ala became a State.

I believe all four of Nathaniels' marriages took place in Clarke Co. I have been unable to find Thomas' name in any probate records - not on deeds - or a will.

A copy of Ball's History can be obtained at the Clarke Co Museum. I'll try to find out more info about him and the possible location of his papers, if any.

Hi

I don't have any information on Nathaniel of Randolph Co.... Randolph Co. was created in 1832 from Creek Cession lands (census records available from 1840). I notice that Randolph borders the SW corner of Carroll Co. Ga.

Hi Terry
Just got the Sandlin 1 & 2 info. This is just what I wanted Thanks so much for all the stuff you've sent me...especially the stuff on Brazil.
Do you really think that our old grandpappy lived to be 110 (1737 S.C. to 1847 Ala.)?
I'm sure this is a typo, but wanted to give you a hard time.

I have been sick the past week and didn't get out to make some copies that I wanted to send you. Most of what I have comes from the sources that Sandlin used and I too have tried to group them, but not in such an organized fashion.

any relevations. A lot of information in the books looks good but when primary sources are looked at you find clues that give you more information--so thanks for the originals. New information keeps being discovered.

John Andrew Bradford owned a lot of land....It was said by my great uncle Niolon Bradford that he gave each of his kids 500 acres of land. My gr-grandfather John Andrew supposedely sold his to his brother for $500.00 and came to Texas. Maybe John Andrew was the one who ended up with most of Brazil's land. This would be in probate records. I have a copy of John

Andrew & Madeline's wills. I never ordered Brazil's will...I should have I was primarily working back from Thomas I do have Brazils military records...They are transcribed in Jower's book. I was working on Hargraves (Sussex Co.) who came from London to America in 1634, Lower Norfolk Co. (1676) and the Braswell family of North Carolina (Bertie Co.) since they both were in Ga. near our Bradfords. Many people think Brazil and Braswell are the same name. Odly enough a Benjamin Braswell, b. 1827 md. Mary E. Hargroves. The Hargraves family was in Orange Co, N.C. and intermarried with Granville Co. people. There were so many Mary Hargraves, but I haven't identified ours.

I'm sorry that I haven't been of any help to you so far, but as soon as I get back I will make it a PRIORITY to get you some of my information. I do have copies of most of the books that Sandlin mentioned.

I've always accepted the B.R. Bradford who won land in Ga. lotter to be the same B.R. of Clarke Co./Marengo Co. I don't have any additional information on the Savage family. Sorry that I can't be of help to you at this time--will get back with you soon.

Dear Mr. Fregly,

I checked up on the Georgia Land Lottery for Brazil R. Bradford and found him in the 1827 of Decatur County. He received No. 113 in District 8, Section 5. This is in Carroll County. A transcription of the Lottery record as well as other Carroll County deeds will follow this report. For the deeds I was only able to copy abstracts, as the actual records of deeds in this county are not available at the library until 1831. The Land Lottery record lists Brazil as being of Decatur. I checked the deeds and found no record of him in the index. Perhaps you would like other Decatur or Carroll records to be searched

I searched Anderson County, South Carolina histories and wills, as well as many Hargrave family histories to locate Mary Polly Hargrave's father,
but found no helpful information. At this point, it is my opinion that it would be more beneficial to pursue other lines of research.

In addition to this, I searched the Ancestral File and IGI for Mary Hargraves, as well as the Bradfords.

The IGI had the following entries:

Polly Hargraves md. Thomas Bradford 12 Aug 1782 in Granville, NC.
Brazil Ransom Bradford b 5 Feb 1794 Anderson, SC to Thomas Bradford and Mary Hargraves.
Brazil Rawson Bradford md. Totitha Deaton abt 1814 of Linden, AL.
Brazil Ransom Bradford md. Ann C. Hosea in 1834 in Octagon, Marengo, AL
Thomas Bradford b. abt. 1757 of SC to Thomas Bradford and Mrs. Mary Catherine Bradford
Thomas Bradford md. Mrs. Mary Catherine Bradford abt 1756 of SC.

The following are abstracts from the Ancestral File:
Brazil Ransom Bradford b. 29 Jan 1794 to Thomas Bradford and Mary Hargraves.
Brazil came from Anders, Anderson, SC, md Ann C. Hosea in 1834 and died 17 Dec. 1884 in Octagon, AL.

Thomas Bradford, b. 1731 in Westover, Charles City, VA and died 1786 in G
ranville, NC. Md. Mary Hargraves, b. abt 1760 in Granville. Children are Elizabeth, Mary, Philemon, David, Thomas, Benjamin, Ephraim, Sarah, and Sealy, Celia (Selah) Bradford. Thomas is the son of Philemon and Mary Byrd Bradford.

Some of this information conflicts with what you have. I have most of the submitter information and any of this can be pursued should you so desire. If you would like more details from the IGI or Ancestral File or if you want copies, let me know. (NOTE: BY FREGLY INFO IN IGI AND AF IS NOT PRIMARY SOURCE AND IS SUSPECT AS TO ACCURACY)

June 23, 1997

Dear Mr. Fregly,
What a lovely surprise your information was for me and will be for our Chapter !!! We have those who are waiting to apply your membership when the Thomas's get straightened out and also some document of service. When we joined the older people all knew (by word of mouth) what so and so said and it was easier to be accepted. We've had no new members for over two years now since we were advised that we'd need more proof. Our registrar along with
others have been researching and have folders of info. I was given a book on the Bradfords that went back to Richard and still couldn't tie in

-

I have the book Elizabeth Bradford Mashburn of Linden had of her side and she allowed me to use a copying machine to get all infor but nothing around Linden tied in except the mother Mary (Polly) was buried with son, Brazil Ransom - My great grandfather was James Thomas, first child born to Nathaniel and Mariah B. There were 3 girls and then Nathaniel married 3 more times. On our records it shows him (James Thomas) wife's name as Mary Elna Walker in old family Bible - Also John N. must have been in error #8 under children of James Thomas - The one born that year was called Winston and lived and died at Damon - married but had no children.

Your letter and info has given us new hope and I'm so grateful for your kindness. Thank you, Irene B. Carter

The within deed was duly proved by Valen. Austin which was ordered to by registered.

note: By Susan GLENN It appears that the Thomas Bradford and Mary Bradford in this deed were not husband and wife, since they were residing in different counties and usually the man's name is given first, followed by the woman's name, then stating "his wife."

NOTE by Fregly: THE ABOVE COULD BE THOMAS and His Mother Mary Holmes deeding land left to Mary as life EST and with remainder to Thomas JR it is unclear if this is the Thomas who Married Mary Hargroves or the one who married Eve Kearney

Hi

I don't have any information on Nathaniel of Randolph Co.... Randolph Co. was created in 1832 from Creed Cession lands (census records available from 1840). I notice that Randolph borders the SW corner of Carroll Co. Ga.

Carrol Co., Georgia, Abstract of Deed Book A & B (1827-1836), by Mary Word:

CC Deed Book A, pg. 446
Caroll County, 5 Nov 1827. BRAZIL R. BRADFORD, Clarke County, Ala. appoints John Merchison, agent to take out plot lot 113, 8the dist. Carroll (now Haralson) Co. Attest Charles Norman J.P., Stephen Ruff, Allen Ruff. 4 Nov. 1830.

Also onPage 446
Carroll Co., 26 Oct. 1830. John Merchison Jr. attorney in fact for Brazil R. Bradford to John Merchison Sr. $10000.00. Land lot #113, 8th dist. Carroll (now Haralson) Co.

Also deeds were granted to Jacob A., pg. 41, James S., pg. 70, & William Bradford, pg. 42 of Index of this book.

What time period are we referring to re this Nathaniel and where did you find him?

Hi Terry

Just got the Sandlin 1 & 2 info. This is just what I wanted Thanks so much for all the stuff you've sent me...especially the stuff on Brazil.

Do you really think that our old grandpappy lived to be 110 (1737 S.C. to 1847 Ala.)?
I'm sure this is a typo, but wanted to give you a hard time.

I have been sick the past week and didn't get out to make some copies that I wanted to send you. Most of what I have comes from the sources that Sandlin used and I too have tried to group them, but not in such an organized fashion.

any relevations. A lot of information in the books looks good but when primary sources are looked at you find clues that give you more information--so thanks for the originals. New information keeps being discovered.

John Andrew Bradford owned a lot of land....It was said by my great uncle Niolon Bradford that he gave each of his kids 500 acres of land. My gr-grandfather John Andrew supposedely sold his to his brother for $500.00 and came to Texas. Maybe John Andrew was the one who ended up with most of Brazil's land. This would be in probate records. I have a copy of John Andrew & Madeline's wills. I never ordered Brazil's will...I should have I was primarily working back from Thomas I do have Brazils military records...They are transcribed in Jower's book. I was working on Hargraves (Sussex Co.) who came from London to America in 1634, Lower Norfolk Co. (1676) and the Braswell family of North Carolina (Bertie Co.) since they both were in Ga. near our Bradfords. Many people think Brazil and Braswell are the same name. Odly enough a Benjamin Braswell, b. 1827 md. Mary E. Hargroves. The Hargraves family was in Orange Co, N.C. and intermarried with Granville Co. people. There were so many Mary Hargraves, but I haven't identified ours.

I'm sorry that I haven't been of any help to you so far, but as soon as I get back I will make it a PRIORITY to get you some of my information. I do have copies of most of the books that Sandlin mentioned.

I've always accepted the B.R. Bradford who won land in Ga. lotter to be the same B.R. of Clarke Co./Marengo Co. I don't have any additional information on the Savage family. Sorry that I can't be of help to you at this time--will get back with you soon.

Dear Mr. Fregly,

I checked up on the Georgia Land Lottery for Brazil R. Bradford and found him in the 1827 of Decatur County. He received No. 113 in District 8, Section 5. This is in Carroll County. A transcription of the Lottery record as well as other Carroll County deeds will follow this report. For the deeds I was only able to copy abstracts, as the actual records of deeds in this county are not available at the library until 1831. The Land Lottery record lists Brazil as being of Decatur. I checked the deeds and found no record of him in the index. Perhaps you would like other Decatur or Carroll records to be searched.

I searched Anderson County, South Carolina histories and wills, as well as many Hargrave family histories to locate Mary Polly Hargrave's father, but found no helpful information. At this point, it is my opinion that it would be more beneficial to pursue other lines of research.

In addition to this, I searched the Ancestral File and IGI for Mary Hargraves, as well as the Bradfords. The IGI had the following entries:

Polly Hargraves md. Thomas Bradford 12 Aug 1782 in Granville, NC.
Brazil Ransom Bradford b 5 Feb 1794 Anderson, SC to Thomas Bradford and Mary Hargraves.
Brazil Rawson Bradford md. Totitha Deaton abt 1814 of Linden, AL.
Brazil Ransom Bradford md. Ann C. Hosea in 1834 in Octagon, Marengo, AL
Thomas Bradford b. abt. 1757 of SC to Thomas Bradford and Mrs. Mary Catherine Bradford
Thomas Bradford md. Mrs. Mary Catherine Bradford abt 1756 of SC.

The following are abstracts from the Ancestral File:

Brazil Ransom Bradford b. 29 Jan 1794 to Thomas Bradford and Mary Hargraves. Brazil came from Anders, Anderson, SC, md Ann C. Hosea in 1834 and died 17 Dec. 1884 in Octagon, AL.

Thomas Bradford, b. 1731 in Westover, Charles City, VA and died 1786 in Granville, NC. Md. Mary Hargraves, b. abt 1760 in Granville. Children are Elizabeth, Mary, Philemon, David, Thomas, Benjamin, Ephraim, Sarah, and Sealy Celia (Selah) Bradford. Thomas is the son of Philemon and Mary Byrd Bradford.

Some of this information conflicts with what you have. I have most of the submitter information and any of this can be pursued should you so desire. If you would like more details from the IGI or Ancestral File or if you want copies, let me know.

Sincerely,

Susan Glenn

Bounty Land Warrants for Military Service in the War of 1812

by Jan Bishop McFarland

After the War of 1812, Congress enacted legislation to reward military service by entitling veterans to claim land in the northwest and western territories. This so-called "bounty land" was not granted outright to the veterans, but was instead awarded to them through a multi-step process beginning with a bounty land warrant.

Bounty land warrants weren't automatically issued to every veteran who served. The veteran first had to apply for a warrant, and then, if the warrant was granted, he could use the warrant to apply for a land patent. The land patent is the document which granted him ownership of the land.

Basically, the warrant is a piece of paper which states that, based on his service, the veteran is entitled to X number of acres in one of the bounty land districts set up for veterans of the War of 1812. These land districts were located on public domain lands in Arkansas, Illinois and Missouri.

The warrants, themselves, were not delivered to the veterans; all the veteran actually received was a notification telling him that Warrant #XXX had been issued in his name and was on file in the General Land Office.

Prior to 1842, if a veteran chose to redeem his warrant for land, he was required to choose land in one of the three states listed above. (After 1842, he could redeem his warrant for public lands in other states.)

Warrants could be assigned or sold to other individuals.

Benjamin Hibbard, an American public lands historian, believed that the government chose to set the land districts up in these frontier areas because they thought it would be really nifty to have a few thousand battle-hardened war veterans & their families acting as buffers between established settlements and the Native American population. For good or for ill, the veterans were too smart to fall for that one, and most chose to sell their patents to land speculators. So keep in mind that, even if your ancestor applied for a patent, he may never have set foot on his land.

The Bounty Land Warrant File

A veteran who decided to redeem his warrant was issued a patent for the land itself, and a "Bounty Land Warrant File" was created in the General Land Office. This file contains the surrendered warrant, a letter of assignment (if he assigned his interest to another party) and any other documents pertaining to the transaction. The warrant itself should include the name of the veteran, his rank on discharge, his branch of service (including company, etc.), and the date the warrant was issued. It may also include the date the land was located and a description of the land.

If he obtained bounty land, you should be able to find your ancestor in National Archives Microfilm Series M848 (14 rolls), War of 1812 Military Bounty Land Warrants, 1815-1858. This series includes an index to patentees in Missouri & Arkansas, a partial index for Illinois, and an index for patentees under the 1842 act (the one that allowed them to choose lands in areas other than MO, AR & IL). If you find that he patented his land, and you want more information than is contained on the microfilm, you may be

able to obtain it by writing the National Archives and having them search the General Land Office abstracts of military bounty land warrant locations.

Further Reading

Throughout the 1800's, the US Congress continually tinkered with the laws affecting bounty land; in order to fully understand these laws and how they may have affected your ancestor, further study will be required. If you're interested in learning more about bounty lands, I'd recommend you read James W. Oberly's book, Sixty Million Acres: American Veterans and the Public Lands before the Civil War, ISBN 0-87338-421-0. It's full of valuable information for genealogists. And if you're up for some really dry reading (downright parched, some might say), try Benjamin Hibbard's History of the Public Land Policies.

Another helpful source is Guide to Genealogical Research in the National Archives, ISBN 0-911333-01-0. It explains, in detail, the records available through the National Archives, including bounty land records.

Caroline Bradford

Caroline Bradford of Pascagoula, who has appeared in many musical performances on the Gulf Coast, has been a member of the New York Metropolitan Opera chorus since last October.

Ms. Bradford appeared in several musicals with the Pas-Point Little Theatre, including *Hello Dolly* and *Jesus Christ Superstar*. She also performed in a dozen operas, and sang in a number of oratorios, including Handel's *Messiah*.

She is a graduate of Carver High School, where she sang in the chorus and played saxophone in the band. From Carver, she went to Jackson State University in Jackson, where she majored in voice.

At the Metropolitan Opera, Ms. Bradford appeared in George Gershwin's *Porgy and Bess*.

It was the first appearance of the musical on the classical Metropolitan Opera stage. *Porgy and Bess* was first performed in 1935.

Ms. Bradford recently signed a new contract with the Metropolitan Opera, for a season that will begin in October, and continue through February 1986.

Subject: To Else Martin, re: Moss Point

Dear Ms. Martin:

Hello. How are you? I have been asked by a friend from Tennessee for research assistance. His 4th-g-grandparents are buried in Moss Point, and he was hoping I could locate their graves, and photograph them.

Can you tell me if there is a Cemetery Book for Jackson Co.? These graves date to the early 1800's (between 1820-1824). Their name is Bradford: Stephen Bradford and Margaret Comstock Bradford.

Also, their son was married in Ocean Springs in 1827. Are there records for Jackson County for 1827?

Any help/direction you can give me with this project is greatly appreciated.

Thanks,
Claudia Lamb
